Watseka Waterworks

July Meeting Agenda
Prepared by Greg Marks
Waterworks Director

- GIS presentation : Wessler Engineering
- Oxidation ditch project update: The oxidation ditch project is still underway and moving forward. Rain has been a factor in some of their progress. They are still in the process of removing the old equipment.
- We currently looking into the CDBG program for a grant to either repair an existing well, or develop a new well on the west end of town. We will be working with Robinson Engineering to get all the information and preliminary work done, so that we can apply for this grant in 2022.
- Work Report:
 - Shut off's 12
 - Service line repairs 1
 - Main breaks 0
 - Meter changes 5
 - Monthly sampling complete
 - Monthly lab work complete
 - Monthly reporting complete
