**WATER/WASTE WATER COMMITTEE MEETING**  
**OCTOBER 19, 2021**  
**8:06 PM**

**PRESENT:** Aldermen Cahoe, Marcier, Rushbrook, Barragree, Miller, Alderwoman Ulfers and Musk, Mayor Allhands, Alderman Garfield via phone

Alderman Cahoe opened the meeting at 8:06 pm. There was no public comment. Water Superintendent Greg Marks was absent because of a water main break.

The following report was presented:

**Wastewater:**

No updates on the oxidation ditch project, Metro is currently working on flow and pump control in 2 tanks at the wastewater plant, routine samples, testing and reports were done, the stairs at the wastewater plant were replaced.

**Drinking Water:**

G.I.S. is ongoing, Peerless Midwest will be returning the pump at well 6 now that it has been rebuilt, routine samples, testing and reports were done, still working on exploring options for a new well location with Peerless Midwest

**Work Report:**

156 locates, 15 water meter changes, 22 water turn on/off, 4 water main repairs, 11 service line repairs

Alderman Cahoe makes a motion to adjourn at 8:08 pm and Alderman Marcier seconded. Roll call carried 9-0.
