WATER/WASTEWATER COMMITTEE MEETING
APRIL 19TH, 2022
7:19 PM

PRESENT: Aldermen Cahoe, Marcier, Barragree, Miller, Garfield, Alderwomen Ulfers and Musk and Mayor Allhands

ABSENT: Alderman Rushbrook

Alderman Cahoe opened the meeting at 7:19 pm. There was no public comment. Alderman Cahoe reported on the following projects:

Wastewater: Oxidation ditch project is ongoing, had a conference call with Helm Mechanical and Robinson Engineering, New Era Spreading hauled out sludge from digester, routine samples, testing and reports were done.

Drinking Water: IEPA is still reviewing the response letter in regard to well 6, routine samples, testing and reports were done, new well project is on-going, IEPA has implemented quarterly testing of wells 9 and 10 due to fuel leak at the Shell Station, waiting on satisfactory results before moving forward with the drilling of the new test wells, the new mixer has been installed in the west water tower and the tower is now back in service.

Work Report: 52 locates, 5 meter changes, 30 water turn on/off, 1 water main repair, 3 service line repairs

Alderman Cahoe stated IPC was called in with the last water main break due to the boring company in front of Dralle's. It took 4 hours from start to finish.

Alderman Cahoe makes a motion to adjourn at 7:28 and Alderman Garfield seconded. Roll call carried 8-0.

Dennis Cahoe, Chairman
